Western Anti-Bilious Pills.
THESE Pills are offered to the public as a
CATHARTIC, adapted more particularly to
Bilious Constitutions, and intended to supply the
place of Calomel which is so extensively and inju-
riously used; especially when administered by
unskillful hands, as it too frequently is, in new
and thinly settled countries.

As this physic is quite as efficient in throwing
off a bilious attack, being at the same time per-
fectly safe, and altogether more proper, as a pre-
paratory medicine, in the treatment of BIL-
IOUS FEVER, FEVER AND AGUE, and
all the variety of intermittents, incident to a bil-
ious or ague country, it will certainly be found
preferable to all mercurial preparations; at the
same time their operation is so mild that they
may be used with perfect safety and great ad-
vantage, as a FAMILY PHYSIC.

They will also be found useful in all BILIOUS
COMPLAINTS, Jaundice, Liver Complaint,
Stomachic, Ague Cakes, Colic, Constipation,
Loss of appetite, and in all cases of Torpor of the
Bowel.

Full directions accompany each Box. Price
25 cents. Prepared by

E. DEAN'S celebrated chemical
Plaster.

AN IMPORTANT DISCOVERY.
For Rheumatism, Pains, White Swellings,
Inflammation in the eyes, Burns, Scalds,
Throat in Scarlet Fever, Quinsy, &c.

TO THE PUBLIC.
Th. whom it may concern.—This may certify,
that I, **ERASTUS DEAN**, the proprietor of E.
Dean's Chemical Plaster, have for more than two
years been in a delicate state of health, so that I
have been unable to prepare and circulate said
plaster to that extent which the interest of the
suffering community demands; and feeling that
so valuable an article ought to be made known to
the world, I have made arrangements with H.
Harris & Co., of Ashabula, Ohio, to manufacture
and vend it in my name as my sole successors.
This, therefore, may be relied on as the genuine
article heretofore prepared by me. As witness
my hand.
ERASTUS DEAN.
Westfield, Chautauque co., N.Y., Jan. 1, 1849.

The Chemical Plaster is an important remedy
to all those who are afflicted with inflammatory
complaints by its cooling pain, counteracting in-
flammation, and giving speedy relief, by its active,
strengthening and salutary properties. An ef-
fectual remedy for inflammatory rheumatism, ague,
in the least, cramp, burns, bruises, scalds, old
sores, ulcers of almost every description, scalded
and swelled throat arising from scarlet fever, fel-
lows, white swellings, chilblains, &c.—Persons
suffering from liver complaints, pulmonary disease,
inflammation of the lungs, with pains in the
side and breast, pain and weakness in the back,
will find relief. In all cases it may be used with
safety.

The Plaster is now put up in boxes at 50
cents and 1 dollar each.

Made and sold, wholesale and retail, by H.
HARRIS & Co., Ashabula, Ohio, sole proprie-
tors.—None genuine unless signed by H. Harris
on the wrapper.

TESTIMONIALS.

PASS LINE, Pa., April 7.
Messrs. Harris & Co.—Sirs: Since I was at
your store in July last, I have used E. Dean's
Chemical Plaster, which I have received from
you at different times, and feel myself in duty
bound to you as proprietors, and to the public
generally, to recommend the same as a safe and
efficacious remedy for those complaints for which
it is recommended. I have used it in several cases
of inflamed eyes, in some of which its effects as a
curative have been decided, and in no case has it
failed of giving relief where it has been applied
according to directions, and all who have used it
are perfectly satisfied with it so far as I know.
I have also applied it in some severe cases of ague
in the breast with the happiest effects.

I would also relate the case of Mr. Thomas
Legg, who has been afflicted with the rheuma-
tic pain in his hip for thirteen years, so that he had
been compelled to abandon labor, in a great meas-
ure, I let him have a box of the Plaster, he
applied it, and for three days found, as he sup-
posed, no benefit, but after that he perceived that
the pain was not so severe, and in less than two
weeks he could labor hard all day and rest free
from pain at night. He says he would not part
with the box he has for three hundred dollars,
providing he could not obtain another. He also
says to me, keep it on hand and recommend it
whenever you see.

I have used the Plaster in cases of pains in the
side, back, shoulders, &c., with like good effect.
Yours, &c. **DANIEL KNEELAND M. D.**

MOORE, June 18, 1839.
Messrs. Harris & Co.—Sirs: I have used E.
Dean's Chemical Plaster for four years past and
do cheerfully recommend it to physicians and to
the public generally as an invaluable remedy in chron-
ic and acute rheumatism, sprains of the wrist,
ankle, shoulder, &c. In felons, whitlow and
serpentine swellings of all descriptions, it is gen-
erally an effectual remedy. In short, wherever
there is pain, it is almost sure to give relief in a
few hours. I have used it in a great number of
rheumatic affections. One of my patients aged
40, full habit, had a rheumatic swelling on one
leg. He had been unable to get out of the house
for three months; his leg was swelled to an enor-
mous size, twice the usual thickness; every thing
that he did done without success, until we con-
sulted your Plaster, which we applied to the
mened using Dean's Chemical Plaster. We
enveloped the knee and a portion of the limb in
the Plaster, and in three days the swelling entirely
disappeared, and in ten days he went about his
ordinary business. Such has been our success
with the article, and we now willingly recom-
mend it to the public for a trial.

Yours, &c. **J. H. REYNOLDS, M. D.**

HUMAN HAIR.

Charmless of the Head and Hair.

STRANGE it is that persons who attend strictly
to personal cleanliness, baths, &c., should ne-
glect the head—the hair—the most essential—
the most exposed—and the most beautiful when
properly cared for, of all the gifts of the Creator.
Perfectly free may it be kept of dandruff or scurf
with a certainty that the hair cannot fall out, by
the use of the Balm of Columbian. Ladies, will
you make your toilet without this article? I
answer fearlessly, No, if you have once tried and
experienced its purifying effects—its sweet per-
fume.

A hundred articles have been put forth on the
credit of this—the only first—the only really val-
uable article. A mass of testimony from all
classes to these facts.

LOOK OUT!—Counterfeits are abroad—look
always for the name of COMSTOCK & CO. on
the splendid wrappers, and not buy it without
that name.

From the Boston Chronicle, Jan. 10.

We see by an advertisement in another column
that Messrs. Comstock & Co., the agents for Old-
ridge's Balm of Columbia, have deputies to sell
that article in Boston and elsewhere. We know
a lady of this city whose hair was so nearly gone
as to expose entirely her physiognomic develop-
ments, which, considering that they betokened a
most amiable disposition, was not in reality very
unfortunate. Nevertheless she mourned the loss
of locks that she had worn, and after a year's
fruitless resort to misdirected restoratives, purchased,
some months ago, a bottle or two of Oldridge's
Balm; and she has now tresses in rich profusion,
glossy, and of raven blackness. We are not
puffing; none of the community has been sent to
us, and indeed, we do not want any for though we
were obliged to wear a wig a year ago, we have
now, through its virtue, hair enough, and of a
passable quality, of our own.

DAIRY FRAUD.

The Balm of Columbia has been imitated by a
notorious counterfeiter. Let it never be purchas-
ed or used unless it have the signature of COM-
STOCK & CO. on a splendid wrapper. This is
the only external test that will secure the public
from deception.

HEADACHE.

Judge Patterson.
I read the following from Judge Patterson, for
thirty years the first Judge of the county in
which he lives:

Middleton, N. J., March 12, 1841.

Messrs. Comstock & Co.

Gentlemen—You are at liberty to make such
use of the following certificate as you deem
best to serve the purposes for which it is intended.

(Certificate of Judge Patterson.)

I hereby certify that my daughter has been
afflicted with sick headache for the space of about
20 years; the attacks occurring once in about two
weeks, frequently lasting 24 hours, during which
time the paroxysms have been so severe, as ap-
parently soon to deprive her of life. And after
having tried almost all remedies in vain, I
have been induced as a last resort to try Spaul's
Headache Remedy as sold by you; and to the
great disappointment and joy of herself and all her
friends, she found very material relief from the
first dose of the medicine. She has followed up
the directions with the article, and in every case
when an attack was threatened has found im-
mediate relief, until she is permanently cured. The
attacks are now very infrequent and disappear almost
immediately after taking the quantity directed.
A hope that others may be benefited by the use of
this truly invaluable medicine, has induced me to
send you the above, and remain your obedient
servant.

MYSTERIOUS.

A GENTLEMAN belonging to one of the
most ancient and wealthy families of this
city, who must be well known to numerous
friends, having since the year 1818 up to recently,
been bent nearly double, and for several years con-
fined in his bed, has been restored to good health
and regained his natural erect position, and has
quitted his carriage, and now walks with ease!
We believe this is the gentleman's own
description as near as possible, and there is no
exaggeration in it. We will give inquiries as to
his address, and doubt not his humane feelings
will excuse the liberty; so that one doubting, may
know these facts; though he requests his name
may not appear in print. Among other similar
instances, Mr. Jas. G. Reynolds, 114 Christie st.,
has been restored, and will give personal assur-
ances of the facts of his case. Both were rheuma-
tism, and contracted cords and sinews. How
has this been done?

Answer. By the **Indian Vegetable Elixer** inter-
nally, and **Hues' Nerve and Bone Liniment**
externally.—N. Y. Herald, Jan. 26, 1841.

Dole's Celebrated
GERMAN
EYE WATER.

THIS article needs no PUFFING. The use
of it will be a sufficient recommendation. It will
cure all complaints to which the eye is subject.
By applying to the maker of it, he will prepare it
in such a manner as to remove *Filias, Catarrhs*,
and other obstructions of the eye.—The following
account of its introduction into this country will
be read with interest:

"The late James Dole, Esq. of Troy, was the
person who introduced this celebrated remedy into
extensive use in this vicinity. During the
revolutionary war, Mr. Dole was an officer in a
troop of cavalry—was attacked with the small pox
in a very severe manner. While he was convales-
cent, but as yet perfectly blind, he was led out
of the Hospital, when he was met by a German
woman, who promised to cure him on condition
that he should never reveal the composition of the
Eye Water, unless upon his deathbed. These
facts Mr. Dole has communicated to me; and,
after urgent solicitations, has uniformly refused
to communicate the secret to me. Mr. Dole died
in Troy, in 1824, and a few days previous to his
decease, revealed the composition to the wife of his
son."

L. M. WELLS, Druggist, Troy, N. Y.
This may certify that I have, for the last 19
years, known Dole's Eye Water to be effectually
applied to the cure of chronic affections of the
eye, and in one instance, have known a person
who had been totally blind for 8 months, to be
entirely cured by its application alone.
E. S. KIMBLEY, M. D.
Chicago, March 6th, 1841.

This may certify that I have sold Dole's Eye
Water for the last eight or ten years, and can re-
commend it to the public.

PHILO CARPENTER, Druggist.
I hereby certify that I have been acquainted
with Mr. Dole for a number of years at the East.
I have heretofore been afflicted with sore eyes;
and by using Dole's Eye Water, have effected an
immediate cure. I have furnished a great num-
ber of my friends and acquaintances, both at the
East and in this city, with this Eye Water, and
have never known it to fail of curing inflammation
of the eye.
DAVID VAN COTT.
Chicago, March 6th, 1841.

I hereby certify, that, within a few weeks past
I have been afflicted with very sore eyes, and by
the use of Dole's Eye Water, was immediately
cured. I have procured it for a number of friends
and acquaintances, and in all cases, it has cured.
